HL-2135W

You'll appreciate being able to print at speeds of up to 20 pages per minute (ppm), and your first page will come out after only 10 seconds. Sharp, crisp text and accurate reproduction of fine detail are a given too, with the HL-2130's high print resolution for outstanding results.

With the HL-2130 high performance doesn't mean high costs. Save paper and use less toner by reducing 2,4,9,16 or 25 pages onto just one A4 sheet with N-in-1 printing. Using the Toner Save Mode can further reduce your running costs.

Spend less time restocking paper: the HL-2130 comes with a generous 250-sheet tray. Use the manual feed slot for hassle-free printing on envelopes, special paper and labels.

The HL-2130 has achieved a range of environmental certifications including ENERGY STAR thanks to its recycling friendly design and low power consumption. Brother is proud to be a Major Sponsor of the 'Cartridges 4 Planet Ark' recycling program. This Australia wide program recycles printer cartridges with zero waste to landfill, guaranteed. Brother are committed to supporting initiatives which help to ensure the long term sustainability of the environment.
