Scan colour documents direct to your PC

Versatile

With high speed printing at up to 24 pages per minute, the Brother MFC-7360N produces high quality documents fast.

A 250 sheet built-in paper tray means you will be replenishing paper less frequently making you more efficient in your daily tasks. The single sheet multi-purpose tray allows you to print on thicker media such as envelopes.

The high resolution colour scanner means you can create digital copies of hard copy documents quickly and easily and thanks to the 35 sheet Automatic Document Feeder (ADF) multipage reports and invoices can be scanned, copied or faxed in no time at all.

Shared Resources

Reduce hardware costs by sharing the MFC-7360N with a number of users in your office. Simply connect the machine to your existing network to enable multiple users to print to and scan from the MFC-7360N.

Easy to Use

Although the MFC-7360N is equipped with a wealth of high quality functions, the intuitive control panel with the 2 line LCD screen means you will be familiar with the most frequently used features in no time. An easy to follow menu structure means the machine is quick and easy to set-up and configure.

Fast and efficient printing at speeds of up to 24 ppm

Value for Money

With the MFC-7360N, high performance functionality doesn't mean high costs. Save paper and use less toner by reducing 2,4,9,16 or 25 pages onto just one A4 sheet with N-in-1 printing. Using Toner Save Mode or the optional high-yield toner cartridge can further reduce your running costs.

Environmentally Friendly

Thanks to its low power consumption and energy saving features the MFC-7360N has been awarded international ENERGY STAR accreditation – saving you money and the environment.

Brother's separate toner and drum system significantly reduces waste. Furthermore, you can recycle your used toner cartridges free of charge thanks to Brother's sponsorship of the Cartridges 4 Planet Ark recycling program.

As part of its ongoing commitment to environmental conservation and sustainable resource management, Brother is a proud partner of Earthwatch Australia, Byteback, the Australian Packaging Covenant, and Brother's Environmental Management System is ISO 14001 certified.

Comprehensive Software

The MFC-7360N comes complete with a range of easy-to-use software utilities to improve your productivity. Bundled with the powerful Scansoft® Paperport™ document management software, hard copy documents such as invoices can be scanned, stored and managed electronically for future retrieval.

Scan, copy and fax multipage documents easily with the 35 sheet ADF

MFC-7360N

MFC-7360N Compact Network Ready Mono Laser Multi-Function Centre® with Fax

With fast print speeds of up to 24 pages per minute, the MFC-7360N will enable you to produce professional documents in no time. You'll get sharp, crisp text and accurate reproduction of even the finest details on the page thanks to its high print resolution.

This versatile all-in-one can scan, copy and fax multi-page documents quickly and easily using the 35 sheet Automatic Document Feeder (ADF) saving you time for busy day to day tasks. The single sheet multi-purpose tray can be used to print on thicker media such as envelopes, whilst the standard paper tray boasts an impressive 250 sheet capacity so you'll replenish it less frequently.

Save on hardware costs by sharing the MFC-7360N with multiple users on your existing network. With the MFC-7360N you also get a choice of standard and high-yield toner cartridges to perfectly match how much you print. All supplies, including the drum, can be replaced individually. This saves you money as you only pay for what you've used.

The MFC-7360N's ENERGY STAR certified energy efficiency means low power consumption for you. Brother's separate toner and drum system significantly reduces waste. Further more, you can return your empty toner cartridge thanks to Brother's sponsorship of the Cartridges 4 Planet Ark recycling program.
