M100  
Print

M200  
Print/Scan/Copy

The Epson M100 and M200 come bundled with an initial starter kit of 2 bottles of inks (140ml and 70ml) for a total yield of up to 8,000 pages. (note: 70ml bottle is not for sale)

**ENGINEERED FOR BUSINESS**

**Superb Savings and Page Yield**

At just US 0.33 cents per mono printout, a bottle of 140ml of ink delivers an ultra high yield of 6,000 pages. Printer is bundled with an additional 70ml ink bottle that increases the page yield to 8,000 pages.

**Distinctive Print Speed**

Laser quality print speed of 15ipm and quick reference print speed at 34ppm that increase your business productivity.

**High Quality & Durability**

Clear, sharp and durable printouts with genuine pigment ink that are water and fade resistant.

\*Applicable to M200 only

Take your business productivity to the next level with the M100 and M200 original ink tank system printers that deliver speedy performance with low running costs. High capacity ink and superb durability ensure reliable high volume printing without compromising quality.

### Superb Savings and Page Yield

Epson's proven original ink tank system printers deliver reliable printing with unrivalled economy. At just US 0.33 cents per mono printout that is 50% lower cost compared against third party refilled toner cartridges\*, the M100 and M200 let you enjoy ultra high yield options of 6,000 pages, reducing the constant hassle of refilling. The M100 and M200 come bundled with an initial starter kit of 2 bottles of inks (140ml and 70ml) for a total yield of up to 8,000 pages.

### Distinctive Print Speed

Busy offices will appreciate the laser quality speed of 15ipm and draft print speed of 34ppm in both M100 and M200. In addition, the M200 comes with a copy speed of up to 34cpm.

\*Comparisons made against similarly-priced monochrome laser printers using third-party toner cartridges: Epson M100 and M200 printers using ink from T7741 ink bottles compared against monochrome multi-function laser printers costing below US\$150 (incl. tax) and US\$200 (incl. tax) respectively from most major brands. All information correct at time of publication.

## High Quality & Durability

With Epson genuine pigment inks, you can now enjoy exceptional print quality with water and fade resistant printouts. Rejoice in the remarkable durability and cost efficiency that come with these printers.

## Network Connectivity

The Epson M100 and M200 can be shared amongst a work group through Ethernet, increasing efficiency.

## Seamless Printing with Epson iPrint

The M200 makes your printing process effortless with Epson iPrint, when connected to a wireless network.

- **Epson iPrint** lets you print directly from smart devices. You can also scan to your device to send as an email, or upload to cloud services such as Box.net, Dropbox, Evernote® or Google® Doc™.

## Increased Productivity

The M200 enhances your productivity when you copy and scan documents with its Automatic Document Feeder (ADF) that accepts up to 30 pages, keeping your printing time short and sweet.

## Smooth Operation with Integrated 2-line LCD Panel

The M200 increases efficiency with a built-in 2-line LCD screen that provides versatile functions like status of print jobs.

## Space-saving Design

The M100 and M200 ink tank system printers not only work well, but also fit comfortably in your office. They sport a compact design and footprint that can be easily integrated into small desktops.

## Epson Warranty for Peace of Mind

Enjoy warranty coverage of one year or 50,000 prints, whichever comes first, for maximum value from your printer and freedom from worries over its maintenance.

## Better Products for a Better Future™

Minimise energy costs with these Energy Star certified printers that have up to 70% lower power consumption than conventional lasers without compromising high productivity.

\*Results based on Epson internal testing conducted using US-equivalent 120V models.

**M200**

**Weight:** 6.0kg (13.2lb)

\*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1  
Black text

\*2 Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For full report see your country web site via [www.epson.com](http://www.epson.com)

\*3 Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
