

Compaq F191 18.5-inch LED Backlit Monitor

Illuminate your computer experience with the Compaq F191 18.5-inch LED Backlit Monitor. Vivid colors and distinct contrasts are delivered with an amazing response time. Ideally priced while energy efficient.

Vibrant color and clarity

- Your window to social media and the Internet, watching movies, or working from home, delivered with vivid an 1366x768 resolution, 4M:1 dynamic contrast ratio, and 84 pixels per inch.

Quickly delivers the action

- The LED monitor technology instantly begins to display an image when power is activated. And with only a 5ms response time, you are assured of crystal clear imagery while minimizing any noticeable blur.

Save money and the environment

- Realize cost savings through reduced power consumption and an intelligent energy-efficient design that includes mercury-free backlighting, arsenic-free glass, and recyclable parts. This energy-efficient design is ENERGY STAR™ qualified and EPEAT® Silver registered.
- Enjoy 18.5 diagonal -inches of brilliant visual performance with a 1366 x 768 resolution, 4,000,000:1 dynamic contrast ratio and a 5ms on/off response time processor.
- Free up desk space by using the VESA 100mm standard pattern to mount on the wall or swing-arm with the HP Quick Release.
- The included VGA cable provides a reliable connection between your computer and monitor and is identified by 15 pins displayed on three rows.
- No need to continually shift in your chair to offset area lighting. The screen has a non-glare treatment to diffuse glare and reflection.
- Rest easy and work confidently with dependable support including a 3-year limited liability warranty.
- Enhance and extend your protection beyond the standard warranty with HP Care Packs, providing broader coverage to avoid out-of-pocket expenses for unexpected repairs or replacement.

Recommended Accessories and Services

HP Adjustable Dual Display Stand

The HP Adjustable Dual Display Stand allows you to use two displays to maximize your productivity and optimize efficiency. Either or both displays can be rotated to landscape or portrait orientation, and the stand is depth-, height-, tilt-, and angle-adjustable so you can view both screens at eye-level as well as slightly facing each other, letting you track multiple applications and information sources at the same time. Integrated base rollers let you rotate the stand so you can more easily share your work.

Product number: AW664AA

HP Business PC Security Lock Kit

This handy device secure HP Business PC in public locations by locking-down peripherals and preventing removal of PC chassis cover. The Lock attaches to the rear of the PC and steel cable can be used to physically connect system to an anchor point.
